

NenaghLTC

NEW COURTS AT NENAGH LTC

Project Information

- The surface for Courts 9 and 10 will be Artificial Clay and floodlit for night-time use
- Courts 9 and 10 will serve as dual courts used by juniors by day and adults by night. They will have additional lines marked as orange junior courts but are the standard size for adults double courts
- A covered viewing area will be constructed at the clubhouse side of courts 9 and 10
- The access pathway will have updated lighting for safe access
- The area where the current ball wall is located will have a new layer of tarmacadam and will be extended to fit two red children's courts – this is partially funded by the €5,000 donation which we received from the family of the late Gerry McCrudden (former club member)

Total Project Cost	€200,000
Grant & Savings	€135,000
To Be Raised	€ 65,000

Members – We need your help to get this done!
