## Management Committee

The Management Committee is a group of volunteers who help manage the club. An important sub-committee of the Management Committee is the Competitions Committee. Both committees work together in the organisation of senior tennis events. The Management Committee meets approx. 12 times throughout the year, and in advance of events. If you would like to get involved with the Committee please contact a current Committee member.

## Coaching Review Committee

The Coaching Review Committee is a group of volunteers who help specifically with the organisation and management of Coaching activities. The Committee meets once a quarter and the chair of the Coaching Review Committee sits on and reports to the Nenagh LTC Management Committee.

## Get Involved - Join Our Volunteer List

The Club is always keen to get more members involved with the running of activities and has a list of people who may be available to help from time to time. This allows members to get involved without the full commitment of being on a committee. The plan is that when events to come up, we will get in touch to see if you are free to help with the that particular event. To join the list, please get in contact with a member of the Committee

In 2022, the club commenced development of 2 new **Synthetic Clay** courts (9 and 10), 2 red ball tarmacadam courts and resurfacing the ball wall area. The new Synthetic Clay courts are predominantly for our junior members and have orange court lining while doubling up as full adult courts. The development also includes new lighting, fencing and a viewing hut.

The overall cost of 2022 development is €200,000. The club has a total of €135,000 in savings and sports capital grant funding, but we require a further €65,000 to be raised.

Our only fundraiser is the 50/50 draw which has been a tremendous success. We are reaching out to all club members to sign up to our monthly draw for €10 per month where the monthly pot is split evenly between the winner and the club. Since we commenced this draw winners have won between €720 and €850 every month.

Please sign up and support our club at <https://www.pallasmarketing.ie/product/nltc-5050>
